

Don't Have A Safe Place To Stay?

You have a right to shelter when it's freezing outside.

- ✓ Were you turned away from a shelter last night?
- ✓ Did it take hours for the van to pick you up after you called the Shelter Hotline at 1-800-535-7252 or 311 for help getting to a shelter?

If you had trouble getting shelter last night, please call the Washington Legal Clinic for the Homeless at 202-328-5500
